Part 1 Admission Arrangements

This section deals with the arrangements for admitting pupils to primary schools in Redcar & Cleveland in September 2017/18 academic year. These are children born between 1 September 2012 and 31 August 2013.

In addition to this booklet, each primary school produces a prospectus which is available, on request, from the head teacher.

Parents should note that attendance of a child at a particular nursery school does not entitle him/her to a place in a particular primary school. Places at primary school are offered in accordance with the criteria outlined on pages 8 - 26. Parents should remember this when deciding on the nursery place for their child. Where a child is in the care of the local authority and the authority has parental responsibility, the People Services Department may, in consultation with others who have parental responsibility, submit a preference for a child.

At what age will my child start in primary school?

All children starting full time education in Redcar and Cleveland normally start school in September of the academic year in which they become five years of age.

How do I decide on which school would best suit my child's needs?

Primary School Achievement and Attainment Tables (formerly performance tables) can be obtained from the Department for Education by telephoning 03700002288. Alternatively, they should be available in your local library. These and other performance tables are also available on the Internet at <http://www.education.gov.uk/schools/performance>. Achievement and Attainment Tables should only be used as part of the overall decision about the school you feel is most appropriate for your child.

Choice Adviser

The People Services Department has a Choice Adviser who can offer impartial advice to you on all aspects of the transfer to primary school. This can include advice about which schools you could choose, help with completing the application form and advice about any other questions you may have about primary school education. A visit to your home or your child's current nursery school can be arranged if preferred. The Choice Adviser can be contacted on 01642 444539.

Email: christine_morris@redcar-cleveland.gov.uk

In August 2016, you will be provided with details of how to apply for secondary schools and to give reasons for your preferences. These preferences can include maintained, foundation, academy and voluntary aided schools in this LA or in another LA, if you wish. The Redcar and Cleveland Choice Adviser can help you with the application. Telephone 01642-444539

Further information can be obtained for yourself from:

- a) Visiting the schools you are interested in, including the school which serves the admission zone in which you live. This will give you first hand experience of the facilities and teaching staff and will allow you to ask any questions you may have;
- b) The school prospectus which gives information about the school including the subjects on offer, extra curricular activities, arrangements for school meals and school uniform, policies on behaviour, discipline and special educational needs;
- c) Reports published by The Office for Standards in Education (OFSTED). This is the Central Government Office which is responsible for carrying out inspections of all schools. OFSTED Reports can be obtained from the school concerned. There may be a small charge to cover photocopying costs. They are also available on the Internet at <http://www.ofsted.gov.uk>.

Alternatively, they should be available in your local library.

The addresses and telephone numbers of all the schools are shown on pages 38-40.

How do I find out in which school admission zone I reside?

Each Local Authority primary school has its own admission zone serving a particular area. You can telephone the school admissions team on 01642-837740 for Redcar and Cleveland Schools or 01642-201890 for Middlesbrough Schools. Your admission zone school is the one we have decided will serve your child's permanent home address. The home address means the place where your child lives. If parents do not live together and your child lives for periods of time with either parent, the home address will be the one where the parent receiving the Child Benefit lives.

How do I apply for a school place?

It is important that you let us know which school you would like your child to attend. In November 2016, you will be provided with details of how to apply for primary schools and to give reasons for your preference.

If you do not receive this by the end of November you should contact the Admissions Team on 01642 837730 / 837740. The preferences can include both maintained and voluntary aided schools in this Local Authority or in another Local Authority, if you wish. All preferences will be considered on an equal weighting basis by the relevant Admissions Authorities.

If you live within Redcar and Cleveland Local Authority and wish to apply for a place in a school maintained by a Local Authority other than Redcar & Cleveland, you should state this preference on the application, Redcar & Cleveland Local Authority, will pass your request to the Local Authority concerned for consideration in accordance with its admission criteria. Similarly, if you live outside Redcar & Cleveland and you wish to apply for a place in a school maintained by this Local Authority you should make your request known to the Local Authority in which you live, who will pass your request to Redcar & Cleveland Local Authority for consideration in accordance with the admissions criteria.

If you intend to express a preference for a place in a voluntary aided Roman Catholic School, you will also have to complete an additional form which will be forwarded to the Governors of the school who will allocate places in accordance with the published admissions criteria for that particular school. This additional form will automatically be included in application packs sent to children who attend a Roman Catholic Nursery Schools. Other parents who wish to apply for a place in a Roman Catholic Primary school will need to contact the admissions team on 01642-837730 / 837740 and the additional form will be posted to them. Details of each school's criteria are published on pages 13 to 20 of this booklet.

To increase your chances of getting a school of your preference it is important that you express three different preferences. Repeating the same school three times does not increase your chance of getting a place in that school. You should rank your three preferences in your order of priority. Each preference will carry the same weighting, which means that you will have the same chance of getting your child a place in any of your three preferred schools. There will still be an offer of one and only one place. Where a place could be offered at more than one school parents will still only receive one offer of a school place.

The closing date for the receipt of the online or paper application, the additional form and any supporting documents is 15 January 2017.

What (and how much) information should I give on the application?

If there are any exceptional medical or social reasons why you think your child should be allocated a place, you are strongly urged to provide independent, third party information, perhaps from a professional who knows or is involved with your child, to support your application. This written support must make clear why the preferred school is the only school which could meet your child's needs. This will help give us a clear picture of any issues or problems. You will be contacted if further details or clarification are required. Any supporting information should be sent to the school admissions team.

If you have any difficulty completing the form, do not hesitate to contact the Choice Adviser on 01642 - 444539 or the Admissions Team on 01642 837740 / 837730.

What may happen if I don't apply by the closing date?

You may not get your child in a school of your preference. This applies even if you live in the admission zone for the school or you have another child who will be attending the school at the time of admission.

As far as possible, the Local Authority will accept applications which are received late if there is a good reason for their lateness, and if they are received before the allocation of places is made. Examples of good reason for lateness would include serious illness of a parent or moving into the area from outside this Local Authority or moving to a different admission zone within this Local Authority. We may request evidence to support a late reason. If the form is late without good reason, applications will only be considered after all the other preferences have been allocated.

If late applications are received after places have been allocated, preferences will only be agreed if places remain available in the preferred school. If the preferred school is full, a place will be offered in the next school closest to your home with spare places. If other schools near to your home are full, the school offered may be some distance away. If you do not apply at all, your child will be offered a place in the school closest to your home with spare places. If other schools near to your home are full, the school offered may be some distance away.

What happens after I've made the application?

All applications submitted on time, i.e. on or before 15 January 2017 will be processed at the same time. It is the duty of the Local Authority, (or the Governors in respect of a Roman Catholic Aided school or foundation schools or Academies), to comply with parental preferences and admit pupils up to the published admission limit fixed for the school. Information about school admission limits can be found on Pages 38 to 40. Once a school is full and the admission number has been reached, the Admissions Authority will decline further admissions on the grounds that the admission of further children would breach infant class size legislation or would prejudice the provision of efficient education or the efficient use of resources.

All preferences will be considered in accordance with the criteria for allocating places used by this Local Authority, by neighbouring Local Authorities or by the schools which are their own admission authority. Each admission authority will produce a list identifying which criterion a child falls into and whether or not it can offer a place. Redcar & Cleveland Local Authority will then match these lists against one another and, treating all preferences equally and using the ranked order of priority, decide where a place can be offered.

If your child meets the criteria for a place at only one of your preferred schools, a place will be offered at that school. If your child meets the criteria for a place at two or more of your preferred schools, a place will be offered at the school which you have ranked as your higher preference. In most cases, the Local Authority will be able to offer your child a place in one of your preferred schools. However, if your child does not meet the criteria for a place at any of your preferred schools, a place will be offered in the next school closest to your home with spare places. If other schools near to your home are full, this may be a school some distance away.

On 18 April 2017 a letter will be posted to each parent resident in Redcar & Cleveland who made an application, telling them of their child's allocated primary school place. Those parents who did not make an application will also be sent a letter offering a place in the nearest maintained primary school to their home address which has available places. Parents who applied online will also be sent an e mail on 16 April 2015 informing them of their allocated school.

Important dates relating to the primary admission process:

Week commencing 14 November 2016 Parents will receive the application pack and other information.

15 January 2017 The online or paper application form must be received by this date.

18 April 2017 A letter will be posted to you notifying you of the place allocated for your child. An email will also be sent to those who applied online.

What does the legislation relating to Infant Class Sizes mean?

Local Authorities have to comply with Government legislation to ensure that Key Stage 1 (Infant) classes have no more than 30 pupils in them to one teacher. This may mean that the Authority would be unable to offer a place in a particular school, even if the pupil lives in the admission zone for the school.

You should be aware that there are very limited circumstances in which Appeal Panels would have the power to place a child in a class which already has 30 pupils.

Admission (oversubscription) criteria for Primary Schools for which the Local Authority is the Admissions Authority

Sometimes there are not enough places for every pupil who wants to go to a particular school. This is what is meant when a school is said to be oversubscribed. If this is the case, then places will be offered using the criteria listed below, in priority order, to children whose parents have expressed a preference by the closing date, 15 January 2017.

Aspire Learning Partnership – Admissions Policy 2017 – 2018

This is the admissions policy for the following Foundation schools, which are member schools of the Aspire Learning Partnership, a Co-operative Trust:

Bankfields Primary School Caedmon Primary School Grangetown Primary Overfeilds Primary School
 South Bank Primary School Teesville Primary School Whale Hill Primary School Wilton Primary School

Where there are more applications for a school than there are places available, places will be allocated using the over subscription criteria shown in the table below

Over subscription criteria 2017/18

CRITERIA (In priority order)	EXPLANATORY NOTES
(i) children who are cared for by the Local Authority	Children who are looked after or who were previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order. A looked after child is a child who is (a) in the care of the local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (Section 22(1) of the Children's Act 1989)."
(ii) children who are permanently resident in the admission zone defined for the school.	For the purposes of determining whether a child lives within the admission zone, only the address at which the parent/guardian ordinarily resides and with whom the child normally lives will be taken into account. If parents are separated and the child lives for periods of time with both parents, the address used will be of the parent who receives child benefit for the child. You will be asked to provide proof. Short term tenancies entered into with the prime objective of securing admission for a child at a particular school will not qualify as places of ordinary residence. The LA will take action should false information be submitted in order to secure a place at a particular school Attendance of a child at a particular nursery school does not entitle him/her to a place in a particular primary school. Places at primary school are offered in accordance with the criteria outlined in this table
(iii) children not living in the admission zone who have elder siblings attending the school in the 2017/18 school year	Brothers and sisters and step brothers and sisters will qualify under this criterion as long as they both live at the same permanent address and the elder sibling is still attending the preferred school in the 2017/2018 school year Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's family and in every case the child should be living in the same family unit at the same address.
(iv) children not living within the admission zone who have exceptional social and/or medical reasons for attending a particular school, professionally supported by an independent third party and sustained by appropriate professional advisors to the school	Social reasons generally do not include domestic circumstances such as parents' working commitments, childcare arrangements, separation from friends. In the case of medical reasons, evidence would need to demonstrate the exceptional long-term nature of the condition. All mainstream schools are able to cater for a wide range of medical needs which may be encountered by children. You are strongly urged to provide independent third party information (e.g., from a professional person who knows or is involved with your child) in support of any exceptional long term medical or social reason why you think your child should be given special consideration for placement in a particular school. This written support must make clear why the preferred school is the only school which could meet your child's needs. The submission of independent information will not automatically guarantee a place under this criterion. However, the evidence will be carefully considered by the Authority's professional advisors as to whether or not your application falls into this category.
(v) children living closest to the school	The distance from home to school will be measured by computer on a straight line basis using the number and postcode of the house (including flats) and the postcode of the school, with those living closer to the school receiving higher priority.

Tie-break:

If it is necessary to distinguish between children within categories (i)-(iv) places will be offered using the criteria listed above in priority order and determined by criteria (v) - measurement on a **straight line** basis using the number and postcode of the house and the postcode of the school.

In the case of a tie break in category (v) the final allocation will be determined using the shortest **walking** route using the number and postcode of the house and the postcode of the school

Waiting List:

Waiting lists for both reception and year 7 will be maintained until the end of the Autumn Term 2017. Any places that become available will be allocated in accordance with the published oversubscription criteria.

Late applications:

Forms received after the closing date will be dealt with after all the other applications unless there is a good reason for their lateness, e.g. if a family moves into the area. In these cases the application can be considered along with all of those that came in on time, providing the allocation of places has not already been completed.

Requests to admit a child outside their normal age group:

Parents wishing to request admission outside their child's normal age group (e.g. a request for a 'summer-born' child whose birthday falls between 1 April and 31 August to be admitted to Reception in the September following the child's fifth birthday) should apply in the admission round at the usual time for the child's normal age group, but should simultaneously request admission outside the normal age group. The admission authority and the LA will consider individual requests for admission outside a child's normal age group and will inform the parent before Offer Day whether or not this can be agreed. If a parent's request is agreed, their application for the normal age group will be withdrawn before a place is offered and the parent must re-apply in the admission round to start Reception in the September following the child's fifth birthday. If their request is refused, the parent must decide whether to accept an offer of a place for the normal age group (to start in the September prior to the child's fifth birthday), or refuse it and make in-year application for admission to Year 1 for the September following the child's fifth birthday. Oversubscription criteria will be applied in all cases where appropriate, regardless of whether or not a child is admitted to their normal age group.

The admission number for each school for 2017/2018 is shown below

Bankfields Primary School	40
Caedmon Primary School	47

Co-ordinated admission arrangements and timetable 2017/18

The LA is responsible for administering a co-ordinated scheme for its area in relation to all maintained (community, voluntary controlled, voluntary aided and foundation) schools and academies. The purpose of the co-ordinated admission scheme is to ensure that, as far as is reasonably practicable, every parent of a child living in the LA area who has applied for a school place in the normal admission round received an offer of one school place on the same day.

The purpose of the co-ordinated admission scheme is to ensure that, as far as is reasonably practicable, every parent of a child living in the LA area who has applied for a school place in the normal admission round received an offer of one school place on the same day. The LA has informed us it plans to roll forward last year's co-ordinated scheme for 2016/17 apart from date changes for the timetables. Copies can be obtained from the LA Admissions Section of request. The draft scheme can also be viewed on the Redcar & Cleveland Council website at www.redcar-cleveland.gov.uk. Applications for places in Roman Catholic Aided Schools

Applications for places in Roman Catholic Aided Schools

The decision on a request for admission to a Roman Catholic Aided School (i.e. St Benedict's, St Bede's, St Gabriel's, St Joseph's, St Margaret Clitherow's, St Mary's, St Paulinus) is made by the governors of the school / Academy Trust. When a Roman Catholic Aided School is oversubscribed the Governors / Academy Trust will consider applications in line with the policies for admissions to that particular school, details of which are given below. Further information is available from each school.

How and When to apply

Applications must be made on the Local Authority Common Application Form. Parents applying to a Voluntary Aided Roman Catholic Academy should also complete the Supplementary Information Form (SIF) as this is used to determine whether you are applying under a specific category. All forms must be returned by the closing date set by the Local Authority, failure to provide a Supplementary Information Form (SIF) could affect the category your application is placed in. Please note that it is the responsibility of the parent/carer to complete all forms and supply evidence – reminders will not be sent.

Children who have An Education, Health and Care Plan which names one of our Academies will be admitted to the school.

Late Applications

Any applications received after the closing date will be accepted but considered only after those received by the closing date.

Over subscription Criteria:

Parents are asked to note that admission to the Nursery unit is no guarantee of entry into the main school.

Where there are insufficient places available to meet all parental preferences, priority will be given to applications in the following order:

(First priority in each category will be given to siblings (see note 3) that is, children who will have older brothers or sisters attending the school in September 2017.)

Additional Notes

1. Definition of Roman Catholic

Children who have been baptised as Roman Catholics or have been formally received into the Roman Catholic Church. All applicants seeking admission under any of criteria 1 to 4 will be asked to provide evidence that the child has been baptised as a Roman Catholic or has been received into the Roman Catholic Church.

A baptismal certificate or a letter from their priest confirming their baptism or reception into the Roman Catholic Church will suffice.

2. Definition of Looked After Child in Public Care

A 'looked after' child is a pupil who is in the care of a LA or provided with accommodation by that authority (For more in depth definitions see Section 22(1), Section 8, Section 14A of the Children's Act 1989 and Section 46 of the Adoption and Children Act 2002).

3. Definition of Baptised children of other Christian denominations whose baptism is recognised by the Roman Catholic Church.

Baptism is administered only by a washing in real water with the proper form of words [the Trinitarian Formula naming Father, Son, and Holy Spirit] in accordance with c. 849.

4. Definition of Sibling

Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling and is in attendance at the same school on the date of admission.

5. Multiple Births

For multiple births where only 1 place remains, infant classes will be allowed to exceed the statutory limit where the 31st child is a twin or from multiple births. The 'excepted pupil' will be allowed for the time in Key Stage 1 or until the class numbers fall back to current class size limit.

6. Admission of a child outside their normal age group

Parents may seek a place for their child outside of their normal age group, for example if the child is gifted and talented or has experienced problems such as ill health. In addition parents of a summer born child (born between 1st April and 31st August) may choose not to send their child to school until the September following their 5th birthday and may request that they are admitted out of their normal age group – to reception rather than Year 1. If you wish to request admission of a child outside of their normal year group you must contact the school to discuss your request four weeks before the closing date of the admission period for your child's normal year group. If the school agrees to your request you should submit your application in the application window for the deferred year in which you wish your child to be admitted to the school. Please note – the deferred application will be considered against all other applications for entry that year based upon a strict application of the admissions criteria and agreement to deferral does not automatically mean your child will be offered a place at the academy in that year.

Tie Breaker:

Where there are places available for some, but not all applicants within a particular criterion, distance from home address to the school entrance will be the deciding factor. Distance will be measured [in a straight line/by the shortest walking route] from the front door of the child's home address (including flats) to the main entrance of the school, [using the Local Authority's computerised measuring system], with those living closer to the school receiving the higher priority.

Right of Appeal

Where a parent has been notified that a place is not available for a child, every effort will be made to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the Chair of Governors at the school address.

Home Address

It is the parental address which will be used in applying the admission criteria. This means that, when stating your choice of school, you should give the parental/guardian address at the time of application. The address of child-minders or other family members who may share in the care of your child should not be quoted as the home address.

Waiting Lists

If your child has been refused admission, a waiting list is available where priority will be given according to the above criteria based on the information provided at the time of application. The waiting list will be open until the end of the Autumn term.

Application information

It is very helpful to have an early indication of the number of children to be admitted to the Reception class in the following September. However, it must be stressed that formal written applications for admission must be made on the form provided by the Local Authority and returned to them by the stated date. Place will then be allocated by strict application of the above criteria, with no reference to the date of application. Parents will be notified as to whether or not their child has been allocated a place according to LA timetable.

St. Oswald's Catholic Academy Trust

St Oswald's Catholic Academy Trust is a Multi-Academy Trust consisting of four schools in the Catholic Diocese of Middlesbrough: St Peter's Catholic Voluntary Academy of Maths & Computing, St Gabriel's Catholic Voluntary Primary Academy, St Margaret Clitherow's Catholic Voluntary Primary Academy and St Mary's Catholic Voluntary Primary Academy. All schools in the Trust were founded for the education of Catholic children and it is the intention of the Governors that the Catholic character of each school will always be maintained.

The Board of Directors expects that parents/carers applying for places in any of these four schools will accept and uphold the Catholic character and ethos of the school.

How and When to Apply

Applications must be made on the Local Authority Common Application Form. Parents applying to a Voluntary Aided Catholic school should also complete the Supplementary Information Form. All forms must be returned by the statutory closing date.

Admissions to the Nursery do not guarantee admission to that Primary school. Children attending Nursery are not given priority in allocation of a place to Reception.

Each Trust school is a voluntary aided school in which the Local Management Board of Governors is the admissions authority responsible for determining the Admission Policy and for administration of the process.

The planned admission numbers for September 2017 are as follows:

105 at St Peter's Catholic Voluntary Academy of Maths & Computing
30 at St Gabriel's Catholic Voluntary Primary Academy
47 at St Margaret Clitherow's Catholic Voluntary Primary Academy
30 at St Mary's Catholic Voluntary Primary Academy

The partner parishes are the parishes of:

- St Andrew's, incorporating the parishes of St Peter's and St Anne's
- St Gabriel's

The Admissions Policy criteria will be applied on an Equal Preference basis.

In administering the Admissions Policy the Governors will have due regard for the Catholic ethos of the Academy and will want to ensure that all applicants for admission clearly desire an education within that ethos and positively support our policies.

Admission Date – Primary Schools

The Local Management Board of Governors in the Primary schools will admit children into school in September of the academic year that they turn five.

Baptism

Proof of Baptism is required from Catholic children who wish to apply. Applications from Christians of other denominations and children of other faiths must be supported by a baptism certificate and/or a statement of commitment from their minister or religious leader.

Late Applications

Any applications received after the closing date will be accepted and considered.

Children with an Education Health & Care Plan (EHCP)

A school that is named on a child's EHCP will admit that child.

Oversubscription Criteria:

Where there are insufficient places available to meet all parental preferences, priority will be given to applications in the following order:

(First priority in each category will be given to siblings (see note 3) that is, children who will have older brothers or sisters attending the school in September 2017).

1. 'Children looked after' (in public care) from Catholic families and children from Catholic families previously 'looked after' but ceased to be so because they became adopted or became subject to a residence or special guardianship order immediately following having been looked after.
2. St Peter's – Baptised Catholic children from practicing families attending the Catholic primary schools of St Gabriel's, St. Margaret Clitherow's and St. Mary's
St Gabriel's – Baptised Catholic children from practicing families who are resident in the Parish of St Gabriel's for whom St Gabriel's Voluntary Catholic Primary Academy is the nearest Catholic school
St Mary's - Baptised Catholic children from practicing families who are resident in the Parish of St Andrew's for whom St Mary's Voluntary Catholic Primary Academy is the nearest Catholic school.
St Margaret Clitherow's - Baptised Catholic children from practicing families who are resident in the Parishes of St Peter's and St Andrew's for whom St Margaret Clitherow's Voluntary Catholic Primary Academy is the nearest Catholic school.
3. Catholic children whose home address is within the parishes of St Andrew's, St Peter's and St Gabriel's.
4. Catholic children of members of school staff who have been employed at the Academy for two or more years at the time at which the application for admission to the school is made.
5. Other Catholic children.
6. Other 'children looked after' (in public care) and other children previously 'looked after' but ceased to be so because they became adopted or became subject to a residence or special guardianship order immediately following having been looked after.
7. Other children of members of all school staff who have been employed at the school for two or more years at the time at which the application for admission to the school is made.
8. Children of other denominations, or of other Faiths, whose parents or carers are in sympathy with the aims and ethos of the Academy and whose application is supported in writing by a minister of religion or an appropriate religious leader.
9. Children whose parents or carers confirm in writing they are in sympathy with the aims and ethos of the school.
10. Children not living within the admission zone who have exceptional social and/or medical reasons for attending a particular school, professionally supported by an independent third party and sustained by professional advisors. Social reasons generally do not include domestic circumstances such as parents' working commitments, childcare arrangements, separation from friends.
In the case of medical reasons, evidence would need to demonstrate the exceptional long-term nature of the condition. All mainstream schools are able to cater for a wide range of medical needs which may be encountered by children. You are strongly urged to provide independent third party information (e.g. from a professional person who knows or is involved with your child) in support of any exceptional long term medical or social reason why you think your child should be given special consideration for placement in a particular school.
This written support must make clear why the preferred school is the only school which could meet your child's needs. The submission of independent information will not automatically guarantee a place under this criterion. However, the evidence will be carefully considered by professional advisors as to whether or not your application falls into this category.
11. Other children.

Additional Notes:

1. Definition of Catholic

Children who have been baptised as Catholics or have been formally received into the Catholic Church. All applicants seeking admission under any of criteria 1 to 5 will be asked to provide evidence that the child has been baptised as a Catholic or has been received into the Catholic Church. A baptismal certificate or a letter from their priest confirming their baptism or reception into the Catholic Church will suffice.

2. Definition of Looked After Child in Public Care

A 'looked after' child is a pupil who is in the care of an LA or provided with accommodation by the Authority. (For more in depth definitions see Section 22(1), Section 8, Section 14A of the Children's Act 1989 and Section 46 of the Adoption and Children Act 2002).

3. Definition of Sibling

Sibling refers to brother or sister, half-brother or sister, adopted brother or sister, step-brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling and is in attendance at the same school on the date of admission.

4. Multiple Births

For multiple births where only 1 place remains, infant classes will be allowed to exceed the statutory limit where the 31st child is a twin or from multiple births. The 'excepted pupil' will be allowed for the time in Key Stage 1 or until the class numbers fall back to current class size limit.

5. Admission of a child outside their normal age group

Parents may seek a place for their child outside of their normal age group, for example if the child is gifted and talented or has experienced problems such as ill health.
If you wish to request admission of a child outside of their normal year group you must contact the school to discuss your request six weeks before the closing date of the admission period for your child's normal year group. If the school agrees to your request you should submit your application in the application window for the deferred year in which you wish your child to be admitted to the school.
Please note - the deferred application will be considered against all other applications for entry that year based upon a strict application of the admission criteria and agreement to deferral does not automatically mean your child will be offered a place at school in that year.

Tie-Breaker

Where there are places available for some, but not all applicants within a particular criterion, with the first priority being given to siblings, then the distance from the home address to the school entrance will be the deciding factor. Distance will be measured in a straight line from the front door of the child's home address (including flats) to the main entrance of the school (using the Local Authority's computerised measuring system), with those living closer to the school receiving the higher priority. Where there is a tiebreak on straight line distance, this will be decided by using walking distance.

Right of Appeal

Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the Headteacher at the Academy address in the first instance, who will explain the procedure.

Home Address

It is the child's permanent address which will be used in applying the admission criteria. This means that, when stating your choice of school, you should give the parental/carer address at the time of application. The address of child-minder or other family members who may share in the care of your child should not be quoted as the home address. If a child spends time with both parents, the address used to apply the admission criteria will be the one where child benefit is paid to.

Waiting Lists

If your child has been refused admission, a waiting list is available where priority will be given according to the above criteria based on the information provided at the time of application. The waiting list will be open until the end of the Autumn term.

Application Information

Places will be allocated by strict application of the above criteria. Parents will be notified as to whether or not their child has been allocated a place according to the Local Authority timetable.

Admissions arrangements for 2017/18, Normanby Primary School, Ironstone Academy Trust

To ensure equity and fair access, the Admissions Code states that in drawing up admission arrangements, admission authorities must ensure that the practices and the criteria used by Normanby Primary School decide on the allocation of school places are:

- Clear in the sense of being free from doubt and easily understood;
- Objective and based on known facts. Admission authorities and Governing Bodies must not make subjective decisions or use subjective criteria;
- Procedurally fair and also equitable for all groups of children and actively promote equity across all social groups and communities;
- Enable parents' preferences for the schools of their choice to be met to the maximum extent possible;
- Provide parents or carers with easy access to helpful admissions information;
- Comply with relevant legislation, including infant class sizes and equal opportunities, which have been determined in accordance with the statutory requirements.

Admission Policy for 2017/18; Normanby Primary School, Ironstone Academy Trust

There are no changes proposed to the school admission policy for 2017/18. Where there are more applications for a school than there are places available, it is proposed that places will be allocated using the over subscription criteria shown in the table below.

CRITERIA (In priority order)	EXPLANATORY NOTES
(i) children who are cared for by the Local Authority	Children who are looked after; or who were previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order. A looked after child is a child who a (a) in the care of a local authority in the exercise of their social services functions (Section 22(1) of the Children's Act 1989)
(ii) children who are permanently resident in the admission zone defined for the school.	For the purposes of determining whether a child lives within parent/guardian ordinarily resides and with whom the child If parents are separated and the child lives for periods of time with both parents, the address used will be of the parent who receives child benefit for the child (if eligible). If neither parent is eligible for child benefit, the address used will be that on the child's medical registration card (proof may be required). Short term tenancies entered into with the prime objective of securing admission for a child at a particular school will not qualify as places of ordinary residence. The local authority will take action should false information be submitted in order to secure a place at a particular school.
(iii) children not living in the admission zone who have elder brothers or sisters attending the school in the 2017/18 school year	Brothers and sisters and step brothers and sisters will qualify under this criterion as long as they both live at the same permanent address and the elder sibling is still attending the preferred school in the 2017/18 school year. 'Sibling' refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.
(iv) children not living within the admission zone who have exceptional social and/or medical reasons for attending a particular school, professionally supported by an independent third party and sustained by appropriate professional advisors to the school	Social reasons generally do not include domestic circumstances such as parent's working commitments, child care arrangements, or separation from friends. In the case of medical reasons, evidence would need to demonstrate the exceptional long-term nature of the condition. All mainstream schools are able to cater for a wide range of medical needs which may be encountered by children. You are strongly urged to provide independent third party information (e.g., from a professional person who knows or is involved with your child) in support of any exceptional long-term medical or social reason why you think your child should be given special consideration for placement in a particular school. This written support must make clear why the preferred school is the only school which could meet your child's needs. The submission of independent information will not automatically guarantee a place under this criterion. However, the evidence will be carefully considered by the local authority's professional advisors as to whether or not your application falls into this category.
(v) children living closest to the school	The distance from home to school will be measured by computer on a straight line basis using the number and postcode of the house and the postcode of the school.

Tie-Break

If it is necessary to distinguish between children within categories (i)-(v), places will be offered using the criteria listed above in priority order and determined by criteria (v) – measurement on a straight line basis using the number and postcode of the house and the postcode of the school.

In the case of a tie break in category (v), the final allocation will be determined using the shortest walker route using the number and postcode of the house and the postcode of the school.

Co-ordinated Admission Arrangement and timetable 2017/18

The LA is responsible for administering a co-ordinated scheme for its area in relation to all maintained (community, voluntary controlled, voluntary aided and foundation) schools and academies. The purpose of the co-ordinated admission scheme is to ensure that, as far as is reasonably practicable, every parent of a child living in the LA area who has applied for a school place in the normal admission round received an offer of one school place on the same day.

The LA has informed us it plans to roll forward last year's co-ordinated scheme for 2017/18 apart from date changes for the timetables. Copies can be obtained from the LA Admissions Section of request. The draft scheme can also be viewed on the Redcar and Cleveland website at www.redcar-cleveland.gov.uk. Under Popular Links click on Schools and Learning>Governor Support Service>News This Term.

Nunthorpe Primary Academy

The admission number for 2017-2018 is 30. Where there are more applications for the school than there are places available, places will be allocated using the oversubscription criteria shown in the table below.

CRITERIA (In priority order)	EXPLANATORY NOTES
(i) children who are cared for by the Local Authority	Children who are looked after; or who were previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (Section 22(1) of the Children's Act 1989).
(ii) children who are permanently resident in the admission zone defined for the school.	For the purposes of determining whether a child lives within the admission zone, only the address at which the parent/guardian ordinarily resides and with whom the child normally lives will be taken into account. If parents are separated and the child lives for periods of time with both parents, the address used will be of the parent who receives child benefit for the child (if eligible). If neither parent is eligible for child benefit, the address used will be that on the child's medical registration card (proof may be required). Short term tenancies entered into with the prime objective of securing admission for a child at a particular school will not qualify as places of ordinary residence. The local authority will take action should false information be submitted in order to secure a place at a particular school.
(iii) children not living in the admission zone who have elder siblings attending the school in the 2017/18 school year	Brothers and sisters and step brothers and sisters will qualify under this criterion as long as they both live at the same permanent address and the elder sibling is still attending the preferred school in the 2017/18 school year. The submission of independent information will not automatically guarantee a place under this criterion. However, the evidence will be carefully considered by the local authority's professional advisors as to whether or not your application falls into this category.

(v) children living closest to the school

The distance from home to school will be measured by computer on a straight line basis using the number and postcode of the house and the postcode of the school.

Tie-break:

If it is necessary to distinguish between children within categories (i)-(v), places will be offered using the criteria listed above in priority order and determined by criteria (v) - measurement on a straight line basis using the number and postcode of the house and the postcode of the school.

In the case of a tie break in category (v) the final allocation will be determined using the shortest walking route using the number and postcode of the house and the postcode of the school.

Admission Applications

Parents will receive applications from their local councils between November 2016 and 15th January 2017. Parents will be advised of school allocations on 16th April 2017.

Late application

Applications received after the closing date will be considered after applications that were received on time unless there was good reason for their lateness. An example of this would be a new family moving to the area after the closing date.

Admission of a child outside their normal age group:

Parents may seek a place for their child outside of their normal age group, for example if the child is gifted and talented or has experienced problems such as ill health. In addition parents of a summer born child (born between 1st April and 31st August) may choose not to send their child to school until the September following their 5th birthday and may request that they are admitted out of their normal age group – to reception rather than Year 1. If you wish to request admission of a child outside of their normal year group you should make an application for the normal time of entry and then put a request in writing to the School Admissions Team asking to defer the entry date and giving your reasons for the request. The request will be considered in consultation with the school concerned and you will be notified of the outcome of your request. If the request is agreed, you should then submit a new application at the time applications are being taken for the new admission date. Please note – the deferred application will be considered against all other applications for entry that year based upon a strict application of the admissions criteria and agreement to deferral does not automatically mean your child will be offered a place at the school in that year.

Requests for mid-year transfer school admission:

Applications will be co-ordinated by the Redcar and Cleveland Admissions Team on behalf of all schools within the borough. Any requests for transfer should be made to the admissions team on 01642-837740 / 837730

The proposed admission number for Reception for the 2017/18 school year is 60. The proposed admission number for Year 7 for the 2017/18 school year is 108. These figures are based on the assessed capacity of the school at the present time and may be subject to variation, depending on future plans and developments which may impact on the schools' physical capacity.

Application procedure and timetable for admissions to reception and Y7 2017/2018

The application process for admissions into Reception and Y7 is co-ordinated by Redcar & Cleveland Local Authority (LA), which acts on behalf of our Governing Body to offer Reception and Year 7 places at our schools. CRITERIA (In priority order)	EXPLANATORY NOTES
(i) children who are cared for by the Local Authority	Children who are looked after or who were previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order. (v) children living closest to the school	The distance from home to school will be measured by computer on a straight line basis using the number and postcode of the house and the postcode of the school.

Children in Receipt of a Local Authority Statement or Education Health Care Plan (EHCP)

Any child who has a current Statement of Special Educational Needs or Education Health Care Plan (EHCP) naming Saltburn Primary School or Huntcliff School as the designated school will be automatically admitted, unless the school has previously demonstrated (if necessary to an independent tribunal) that to admit the child would not be in her/his best interests, unreasonable in terms of its impact on the school, or detrimental to health and safety.

Tie-break:

If it is necessary to distinguish between children within categories (i)-(iv) places will be offered using the criteria listed above in priority order and determined by criteria (v) – measurement on a straight line basis as defined above. If there was a tie break within category (v) places would be determined by measurement of walking distance between home and school.

Late Applications and Mid-Year Admissions

Every effort will be made to ensure parental applications are received by the published closing date. However, applications may still be received after the closing date if there is a good reason for their lateness. In this instance, the Local Authority will accept applications for over-subscribed schools if they are received before places in the school have been allocated. Examples of good reasons may include when a parent has been ill for some time, or a family has just moved into the area, or a family is returning from abroad.

Allocation of places which become available before appeal hearings

Where places become available prior to an appeal hearing, they will be allocated in accordance with the over-subscription criteria.

Waiting Lists

Those pupils who have not been allocated their highest rank preference for Saltburn Primary School or Huntcliff School will automatically be placed on a waiting list. Parents/carers may request that their child's name be placed on a waiting list for Saltburn Primary School or Huntcliff School. If places become available in the school they will be allocated to children on the waiting list in accordance with the over-subscription criteria. Waiting lists will be maintained until the end of the Autumn Term 2017.

Appeals

The parents/carers of any child who is refused a place at Saltburn Primary School or Huntcliff School have a right of appeal to an Independent Appeals Panel. The panel consists of three people who are fully independent of the school's Governing Body and the Local Authority. The panel will consider the circumstances of each appeal case before putting them against the Planned Admission Number of the school as a whole. Both the Governing Body and the parents/carers must abide by the decision it makes.

Admission to years other than reception and Year 7 - September 2017

Applications for places in these year groups can be received at any time of year. In the event of over-subscription, the criteria set out above will be applied and places offered in accordance with those criteria.

To apply for a place after the start of the autumn term in September 2017, please contact the Local Authority Admissions Office on 01642 837740.

Parents/carers wishing to visit the school prior to submitting an application are welcome to do so.

Skelton Primary School became an academy on November 1st 2013. The Governors have adopted the Redcar & Cleveland Admissions Policy and coordinated scheme.

Admission Zone

All parents are strongly urged to consult the 'Redcar & Cleveland Local Authority Guide for Parents' along with our admissions policy. Skelton Primary School admits children from the community of Skelton and beyond.

Applying for a school place

1. There will be a standard form which will be used for the purpose of admitting pupils into the reception class for primary school and a separate form (mid-year transfer form) for any applications made for a "mid-year transfer" into any year group. Applications for entry into reception class can also be made online.
2. The application forms will –
 - (a) Invite parents to express their preference for their child's school
 - (b) Invite parents to give their reasons for each preference.
 - (c) For entry into reception will specify a closing date (for the determination year) and where it must be returned.
3. The LA will make appropriate arrangements to ensure that application forms are available on request from the LA. Mid-year application forms for primary school transfer will also be available in primary schools.
4. Where a school receives a supplementary form it will not be regarded as a valid application unless the parent has also completed either the Redcar & Cleveland paper or online application or, if resident in another area, their home area's application form upon which the school is nominated. Supplementary forms should be returned to the LA. Under the requirements of the scheme, parents will not be under any obligation to complete an individual school's supplementary form where this is not strictly required for the governing body to apply their oversubscription criteria.

Processing of Applications

5. Completed online or paper applications should be submitted by the following deadlines:
 - a. For primary schools by the 15 January 2017.
 - b. Online applications can be made up to 11.59pm on 15 January 2017 for reception application

Primary Admissions - Determining offers in response to applications.

6. The LA will act as a clearing house for the allocation of places by the relevant admission authorities. The LA will only make any decision with respect to the offer or refusal of a place in response to any preference expressed where:
 - (a) It is acting in its separate capacity as an admission authority; **or**
 - (b) An applicant is eligible for a place at more than one school, **or**
 - (c) An applicant is not eligible for a place at any school that the parent has nominated.

Mid-Year applications

Applications for places in reception class after the end of the autumn term and for other year groups are coordinated by the local authority. Parents should contact the school admissions team on 01642-837740 / 837730.

Late Applications

7. Forms received after the closing date will be dealt with after all the other applications unless there is a good reason for their lateness, e.g. if a family moves into the area. In these cases the application can be considered along with all of those that came in on time, providing the allocation of places has not already been completed.

Waiting Lists

8. Waiting lists for both reception will be maintained until the end of the Autumn Term 2017. Any places that become available will be allocated in accordance with the published oversubscription criteria.

Admission number for 2017 / 2018

9. Admission numbers are set with regard to the assessed capacity of schools. However, these numbers may vary dependent upon future plans and developments which impact on the physical capacity of the schools. Skelton Primary School can admit 90 children into each year group.

Criteria In priority Order

i) Children who are cared for by the Local Authority

Children who are looked after or who were previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order.

A looked after child is a child who is (a) in the care of the local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (Section 22(1) of the Children's Act 1989).

- ii) **Children who are permanently resident in the admission zone defined for the school.** For the purposes of determining whether a child lives within the admission zone, only the address at which the parent/guardian ordinarily resides and with whom the child normally lives will be taken into account.

If parents are separated and the child lives for periods of time with both parents, the address used will be of the parent who receives child benefit for the child. You may be asked to provide proof. Short term tenancies entered into with the prime objective of securing admission for a child at a particular school will not qualify as places of ordinary residence. The Authority will take action should false information be submitted in order to secure a place at a particular school.

(iii) Children not living in the admission zone who have elder brothers or sisters attending the school in the 2017/18 school year.

Brothers and sisters and step brothers and sisters will qualify under this criterion as long as they both live at the same permanent address and the elder sibling is still attending the preferred school in the 2017/18 school year.

Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

(iv) Children not living within the admission zone who have exceptional social and/or medical reasons for attending a particular school, professionally supported by an independent third party and sustained by the Authority's professional advisors

Social reasons generally do not include domestic circumstances such as parents' working commitments, childcare arrangements, separation from friends. In the case of medical reasons, evidence would need to demonstrate the exceptional long-term nature of the condition. All mainstream schools are able to cater for a wide range of medical needs which may be encountered by children.

You are strongly urged to provide independent third party information (e.g., from a professional person who knows or is involved with your child) in support of any exceptional long term medical or social reason why you think your child should be given special consideration for placement in a particular school. This written support must make clear why the preferred school is the only school which could meet your child's needs.

The submission of independent information will not automatically guarantee a place under this criterion. However, the evidence will be carefully considered by the Authority's professional advisors as to whether or not your application falls into this category.

(v) Children living closest to the school

The distance from home to school will be measured by computer on a straight line basis using the number and postcode of the house and the postcode of the school.

Tie-break

If it is necessary to distinguish between children within categories (i)-(iv) places will be offered using the criteria listed above in priority order and determined by criteria

- (v) - measurement on a straight line basis using the number and postcode of the house and the postcode of the school.

In the case of a tie break in category (v) the final allocation will be determined using the shortest walking route using the number and postcode of the house and the postcode of the school.

Mid-Year Admissions

If a pupil moves into the area they should immediately contact the school admissions team to enquire about the availability of school places. A MYPF will be sent out to the parent and should be returned to the LA admissions team within five school days. Parents will be contacted if the MYPF is not returned and if the form is still not received the Children Missing Education Officer and Education welfare Service will be informed.

Parents may also wish to visit their local school in the first instance. A MYPF will be available at the school for the parents to complete. The primary school will then immediately inform the admissions team of the enquiry for a school place and the parent should return the form directly to the LA or alternatively if handed in at the school, the school must submit the completed MYPF to the LA admissions team. The LA will confirm with the school that there is a place available. The offer of a school place must be made by the LA admissions team and the pupil must not be admitted until the offer letter is sent. (A copy of the offer letter will be e mailed to the school.)

If a pupil already attends a Redcar & Cleveland primary school and wishes to transfer to another, they should in the first instance discuss the transfer with the pupil's current school. If they then still wish for the transfer to proceed, they should then contact the school admissions team to request a MYPF. The parent/carer should return the form to the LA within five school days. The LA will contact the school to confirm that there is a place available and a start date agreed.

Should the new school have reached its admission limit, and is unable to admit further pupils, a place will be refused and the parent/carers will be informed of their right to appeal against the decision and issued with the appeal forms.

Should the preferred school have places available in the relevant year group but refuses to admit the pupil and the Authority considers that there is no valid reason for refusal the parent will also be offered the right to appeal against the decision.

1. There will be a standard application form known as the Mid-Year Preference form (MYPF) supplied by the Local authority for parents resident in Redcar & Cleveland, who wish to express a preference(s) for a school in the Authority area or to a school(s) in another LA area.
2. The MYPF will be used for the purpose of admitting pupils into any year group of primary education in the specified year other than at the normal year of entry into reception class.

3. The normal year of entry for admission into reception class will cease at the end of the autumn term of that academic year. Applications received after then, for entry into either of these years, will be deemed as a mid year transfer and dealt with accordingly.
4. The MYPF must be used as a means of expressing one or more preferences, for the purposes of section 86 of the School Standards and Framework Act 1998, by parents for their child: to be admitted to a school within the LA area (including Voluntary Aided Foundation schools and Academies) to be admitted to a school located in another LA's area (including VA, Foundation schools and Academies).
5. The MYPF will invite the parent to express up to three preferences and give their reasons for each preference. All preferences expressed will be considered on an equal weighting basis. Where a pupil is eligible for more than one place they will be offered the highest ranked preference that has available places by the LA as the admissions authority, or on behalf of another LA or the admissions authority of a VA, Foundation School or Academy. If a place cannot be offered at a preferred school a place will be offered at the nearest alternative school that has places available.
6. All preferences expressed on the MYPF are valid applications.
7. Parents who have moved into the Redcar & Cleveland area seeking a place in a school should contact the LA who will send out an MYPF which should be completed and returned to the LA within 5 working days.
8. Parents wishing to transfer schools within Redcar & Cleveland will be directed to the LA who will send out an MYPF which should be returned within 5 school days.
9. If the MYPF is returned to a school it should be forwarded to the LA for processing.

Processing of Mid-Year Preference Forms

10. Once all completed forms are returned to the LA, the availability of places within Redcar & Cleveland schools will be considered, or if the request is for a school in another LA area, that LA will be contacted to enquire if a place is available.

Determining offers in response to the MYPF

11. The relevant oversubscription criteria will be applied if there are more applicants than available places.
12. The LA will act as a clearing house for places allocated by all admission authorities to applicants resident in Redcar & Cleveland. Where the LA is the admissions authority it will consider the applications for its own schools and after consultation with the school concerned will notify the applicant of the outcome of their application. Decisions on applications for schools of other admission authorities will be made by the authority concerned. Where a pupil is eligible for a place at more than one school, then a place will be provisionally offered at the highest ranked school for which they are eligible.
13. Where the pupil is not eligible for a place at any of the preferred schools, the pupil will be provisionally offered a place at the nearest appropriate school with a vacancy.
14. The offer/refusal letter will be issued by the home LA on behalf of another admission authority. The letter will give the following information:
 - a. the name of the school at which a place is provisionally being offered whether it be an offer by the LA or on behalf of another admission authority; Or b. the reasons why the pupil is not being offered a place at each of the other schools nominated on the MYPF;
 - c. information about their statutory right of appeal against the decision to refuse places at the other nominated schools;
 - d. contact details for the school and LA (and those nominated Foundation, VA where they were not offered a place, so that they can lodge an appeal with the governing body);
 - e. what to do if the place offered is in another LA area;
 - f. what to do if an offer was not made at the preferred school which was within another LA and who to contact.
15. Parents will have seven working days to respond to the offer letter to accept the school place offered. The LA will then look to withdraw the offer.
16. Waiting lists where held must be ranked in order of oversubscription criteria

Additional / Supplementary Forms

All parents who list their preferred schools on the LA's application form are regarded as having made valid applications. An additional or supplementary form may also have to be completed for applicants considered under faith criteria of faith schools, for boarding schools and for selective schools.

Change of address

If you notify a change of address during the application and appeal process you may be asked to provide evidence of your new address.

Parents / Family Members

All parents who list their preferred schools on the LA's application form are regarded as having made valid applications. An additional or supplementary form may also have to be completed for applicants considered under faith criteria of faith schools, for boarding schools and for selective schools.

Twins / Multiple Births

The local authority will endeavour, wherever possible, not to separate twins or multiple birth children whilst still operating within the infant class size legislation. If a higher ranked preference cannot be met for twins or multiple birth siblings, then the authority will look to the next ranked preference that can accommodate both or all of the siblings.

If I am not offered a place in any of my preferred schools, what happens next?

Your preferences may not be successful if there are not enough places for all the children who want to go to your preferred schools. If we are not able to offer your child a place at any of your preferred schools, a place will be offered in the next school closest to your home with spare places; if other schools near to your home are full, this may be a school some distance away.

What is the likelihood of obtaining a place at my most preferred school?

Occasionally, some schools receive more applications than places available. The table below shows the number of places that were refused at the time of the initial allocation of places for the previous four years.

When will I be informed of the outcome of my application?

A letter will be posted to each parent/guardian living within Redcar & Cleveland on 18 April 2017 informing them which school has been allocated for their child. Applicants who applied online will also receive an e mail on 16 April 2017.

What should I do if I change my address?

If you move to a new address after places have been allocated it may not be possible to give your child a place in your preferred school even if you live in the school's admission zone (see information on page 8 relating to Infant Class Size Legislation). If this is the case, a place will be offered in the nearest school to your home address which is not full. If other schools near your home are full, this may be a school some distance away. You may be asked to provide proof of your residency at the property.

What can I do if my application is not successful?

If you are not satisfied with the offer you have been offered, there is an opportunity to make an appeal to an Independent Appeal Panel. All letters advising that it has not been possible to meet an expressed preference also contain information on how to appeal. To appeal against the refusal of a place at a Local Authority School you will need to complete and return the acceptance form which will accompany the letter.

Once received, you will be sent the appeal form on which you should set out your case for believing that your child should have a place at the school of your preference, despite the fact that the strict application of the criteria means that no place is available. You should include any personal or other key factors which you think are relevant. An appeal does not have to be limited to the school you have ranked as your first preference. You can also appeal if your applications to the school you have ranked as your second and third preference have been unsuccessful.

You should indicate on the form to which school(s) your appeal is related. Appeals will be heard in June / July 2017. All appeal hearings are arranged by the Assistant Chief Executive, Legal & Democratic Services. He will send you details of the time and venue for your appeal and invite you to attend the hearing in person. You may be accompanied by a friend or representative who may put your case for you.

The Independent Appeal Panel is empowered to make a final decision after considering all the reasons of your appeal as well as the difficulties the school would encounter in taking further pupils. The decision of the Independent Appeal Panel is final and binding upon parents, schools and the Local Authority. You will be notified in writing of the decision of the Appeal Panel.

What happens if vacant places arise before the appeal hearing?

If places become available in a school before the appeal hearing, they will be allocated to the applicants in accordance with the published oversubscription criteria.

Can I make a second appeal?

Where parents have been unsuccessful in their appeal for a place in a particular school, it is not possible to consider another application for the same school in the same academic year unless there have been significant and material changes in the circumstances of the parent to warrant a further application. The Council's Legal Department will determine whether there has been a significant change to warrant another appeal.

Can I place my child's name on a waiting list for a school?

If you have not been successful in gaining a place at a school of your preference, you may ask the Local Authority to place your child's name on the waiting list for the school. However, you need to be aware that places may not become available and you may need to consider a place for your child in another school. Any places which become available will be offered to pupils on the waiting list in accordance with the priorities set out in the next section "How is the waiting list prioritised".

The waiting list will be maintained for admissions to reception class only and will close at the end of the Autumn Term 2017. You may ask for your child's name to be placed on the waiting list of more than one school. If a place becomes available in any of those schools and you are offered and accept the place, your child's name will then be removed from the waiting lists of the other schools unless you specifically request to remain on the list.

How are places prioritised?

Children whose names are placed on a waiting list for a place in a particular school will be ranked in priority order in line with the oversubscription criteria. If you change address during the time the waiting list is held, proof of the address change may be required. In Aided Schools, the governing body, in consultation with the LA Admissions Authority, decides how vacancies are filled. Please check this with the school, if necessary.

Part 2 General Information

The Partnership between Schools and Parents

All Redcar and Cleveland primary schools are staffed and equipped to provide education to meet the varying needs of their pupils. Details of the aims and curriculum of each school are given in school prospectuses available from the school concerned.

A pupil's progress at school depends, to a great extent, on the support received from home and it is hoped that you will encourage your children to take full advantage of the courses and opportunities available to them. From time to time, you will receive information from schools and there will be open days, parents' meetings and other similar opportunities for you to see how your child is progressing, and how the school is operating. You can also help by contacting the school when you think that something is wrong.

Head teachers and their staff are always willing to discuss problems and are glad of any help you can give. The head teacher is the first person to contact on such matters. Further advice, where necessary, can be obtained from the Director of People Services.

What types of schools are available?

Nursery Schools: Local Authority Nursery Provision

Every primary school in Redcar & Cleveland has a nursery class attached to it and this is where most children in the borough will begin their education.

Parents should apply directly to the school of their choice for a school nursery place. In most school nurseries, children may be admitted in the term following their third birthday or in some exceptional cases, immediately following their third birthday.

In some nurseries, however, the demand for places for three year olds is high and some children may have to wait for one or two terms until a place in their preferred nursery class becomes available.

Eligibility

Local authorities must ensure that children are able to access their free entitlement for up to two years before they reach compulsory school age. A child first becomes eligible in the term after their third birthday.

A child born in the period	Will be eligible for a free place from
1st April to 31st August	1st September following child's 3rd birthday (Autumn school term)
1st September to 31st December	1st January following child's 3rd birthday (Spring school term)
1st January to 31st March	1st April following child's 3rd birthday (Summer school term)

If a school nursery class is unable to provide a place for a child as soon as he/she is eligible, the parent/carer should be signposted to the local authority. A place for the child will be found with an approved private/voluntary provider until a school nursery place is available, if that is what they wish. A list of private / voluntary nurseries can be found on page 41 of this booklet.

For further information please contact the Families' Information Service: Telephone: 0800 073 8800 (24 hour answerphone service)

The Local Offer of Flexibility

Redcar and Cleveland local authority is able to offer parents/carers access to their free entitlement in the following ways:

1. 3 hours a day over 5 days a week
2. 5 hours a day over 3 days a week
3. 15 hours flexibly over a minimum of 2 days a week, this can be offered over 2 days providing one day does not exceed 10 hours, e.g. 2 x 7.5 hour sessions.

It should be noted that options 2 and 3 may only be available in a private or voluntary early years setting. The local authority will support parents/carers to access their free entitlement in their preferred flexible option and setting.

The nursery school your child goes to does not entitle him or her to a place in that primary school. Places are given in accordance with the criteria already described in this booklet on pages 8 & 26. You should remember this when deciding on the nursery place for your child. For further details regarding admission to nursery you should contact the school direct.

Does the Adult and Children's Service have a policy for children with special educational needs?

Children who have special educational needs will often have had their needs identified at an early stage of their education. In the majority of cases, provision for those needs will be made from the resources available to mainstream schools in the area. In a small number of cases, the needs may be such that additional resources may be provided by the LA through a statutory assessment of the child's special educational needs.

When a school considers that some special educational arrangements may be needed for a child, you will be contacted by the head teacher so that any difficulties can be assessed. Similarly, if you feel that your child may require some additional help, you should not hesitate to contact the head teacher with your concerns.

Further information about LA services available to support children with special educational needs can be obtained from People Services Department. (Tel: 01642 304561/304503)

Am I entitled to assistance with travel costs for my child to attend school?

Your child may be eligible for free travel between home and school if they are eligible under the Council's home to school travel policy www.redcar-cleveland.gov.uk/schooltransport

Eligibility is primarily dependent on the distance required to travel from home to school.

Primary: Under 8 years

Free travel is available to children of statutory school age attending their nearest appropriate primary school more than two miles walking distance from home along the shortest safe walking route.

Primary / Secondary: 8 - 16 years

Free travel is available for children attending their nearest appropriate secondary school more than three miles walking distance from home along the shortest safe walking route.

If your child does not qualify on distance grounds the council also offers support to low income families in certain circumstances:

- if the nearest suitable school is beyond 2 miles (for children over the age of 8 and under 11);
- if the school is between 2 and 6 miles (for children aged 11 – 16 and there are not three or more suitable schools);
- if the school is between 2 and 15 miles and is the nearest school preferred on the grounds of religion or belief (aged 11 – 16). The child / children will need to be of the same faith as the 'faith school' they are attending and evidence will be needed.

Low income is deemed as those children in receipt of free school meals or whose family is in receipt of 'the maximum' level of Working Tax Credit. If your award notice issued by HM Revenues and Custom shows any deductions due to your income, you are not in receipt of 'the maximum' level of award. If you are applying for free travel on low income grounds you will need to provide further evidence to support your application. Personal circumstances can change across the year and entitlement to certain benefits can vary.

Support offered on low income grounds is usually offered for the remainder of the school year (e.g. up to the end of the Summer Term). You will therefore need to apply on an annual basis for free travel.

Other support for travel

If your child has special education or medical needs, please contact the Transport Section for advice. Any support offered on this basis will be subject to an individual transport assessment.

Conditions

- Distance will be measured from the child's permanent address, along the shortest 'safe' walking route for distances of up to three miles and by driving route for distances of between three and six miles. The Council will determine what constitutes a 'safe route' and will automatically assume that parents / responsible adults are accompanying young children on the walking journey to school.
- Free travel is only available at the start and end of the school day.
- Permits are normally provided for travel on public transport although we may offer other alternative travel solutions.
- There is a charge for replacement permits that have been lost or damaged.
- You need to re-apply for free travel each year or if you move home or change school.
- We may check attendance of children and may seek reimbursement from parents for the cost of any travel permit purchased for travel for any periods when this is not used for example due to family holidays in term time or sustained absence from school.
- You have a right of appeal against any free travel for any applications refused

How to apply:

To apply for free travel please download an application form from www.redcar-cleveland.gov.uk. Or contact us on 01642 776932/ 444973 / 444974

Is my child entitled to free school meals?

There is provision in each school for pupils to receive a midday meal. All schools operate a multi choice system. Please contact your child's school for the cost of a meal as catering providers vary in different schools. In addition some schools have snack bars where individual items of food/drink may be purchased. Where a snack bar system is in operation, the remission of cost would be up to the amount of a meal.

If you are in receipt of one of the following, you may qualify for Free School Meals:

- Income Support, **or**
- Jobseeker's Allowance (Income Based), **or**
- State Pension Credit (Guaranteed Credit), **or**
- Employment and Support Allowance (Income Related), **or**
- Child Tax Credit and have an annual gross income as assessed by Her Majesty's Revenue and Customs which does not exceed £16,190.00. (This figure is subject to change in April of each year.)
- or** Universal Credit (For more information contact Education Benefits on 01642 774774)

IT SHOULD BE NOTED THAT IF YOU ARE IN RECEIPT OF WORKING TAX CREDIT ON A REGULAR BASIS YOU WILL NOT QUALIFY FOR FREE SCHOOL MEALS.

From the 1st May 2009 new legislation came into effect allowing Free School Meals to be given to children whose parents become unemployed, or reduce their hours to less than 16 hours a week but still receive working tax credit (WTC) for a further FOUR WEEKS. This is known as WTC "run on" period. After this four week "run on" period the customer must receive at least one of the qualifying incomes. Children of asylum seekers are entitled to Free School Meals whilst the family is supported under the Immigration and Nationality Directorate National Asylum Support Services (NASS).

If you have any questions about Free School Meals you can contact us by:

- Telephoning – 01642 774774
- Emailing – educationalbenefits@redcar-cleveland.gov.uk
- Visiting Customer Services – Redcar and Cleveland House, Kirkleatham Street, Redcar or Low Grange District Centre, Normanby Road, Southbank or Belmont House, Rectory Lane, Guisborough.

Application forms can be obtained from Educational Benefits, Schools, Customer Services and the Redcar and Cleveland website. (www.redcar-cleveland.gov.uk)

Alternatively you contact the Educational Benefits on 01642 774774 and an application form can be completed over the telephone.

Please note that it is not possible to backdate Free School Meals entitlement. Applications should, therefore, be submitted at the time you wish Free School Meals to be paid. Parents/Guardians will no longer be required to send a copy of their benefit evidence to support their claim. Unless we are unable to confirm eligibility, we will require proof of benefit. You must also advise Educational Benefits when you have a change in your circumstances, i.e. - Change of address or Change of school **or** Your entitlement to any of the following ends: Income Support, Pension Credit (Guaranteed Credit), Jobseekers Allowance (Income-based), Employment and Support Allowance (income related), **or** Child Tax Credit, **or** Universal Credit.

Whilst the school meal is recommended as a healthy, nutritious and well balanced meal, facilities exist within each secondary school for children who prefer to bring packed lunches.

Do I need to insure my child?

It should be noted that pupils are not automatically covered by insurance for personal property or accident in school during school hours. The Local Authority does require pupils to be adequately covered by insurance of all visits abroad or within the UK which involve an overnight stay or a foreseeable degree of risk.

Such arrangements are made by the head teacher at the appropriate time. Further details on insurance covering school journeys can be obtained from your child's school.

You should note that if you wish your child to be covered by insurance for personal property or accident in school during school hours, you need to make your own arrangements.

How do I change the primary school my child attends?

Part One of this booklet deals with the arrangements for pupils to be admitted to primary schools at statutory primary school age i.e. entry into reception.

There will be occasions, however, when older pupils wish to transfer between schools, for example, if the family moves from one area to another. In this event, you should notify your child's current head teacher of the situation and contact the school admissions team for an application form on the number below.

From time to time you may wish your child to transfer to another school for other reasons. In the first instance, you should consult the head teacher of your child's present school with a view to resolving any problems. If, after speaking to the head teacher, it is still your preference for a change of school, you should contact the school admissions team for an application form on the number below.

It may not be possible, however, to offer a place if a particular school is oversubscribed or if admission would exceed the Infant Class Size legislation which limits to 30 the number of pupils who can be placed in Key Stage 1 (infant) classes (further details on Page 7).

If you have been unable to secure a place for your child in the school of your preference you do have the right of appeal against such a decision (details on Page 29). Alternatively, Officers of the Local Authority will be pleased to advise you on the availability of places in other schools (01642 837740/837730).

Decisions on admission to Aided Schools are made by the Governors of the school concerned.

Do I have to pay for school trips?

Pupils have the right to free school education for activities offered wholly or mainly during the normal teaching time regardless of parents' ability or willingness to help meet the cost. It is possible to charge for optional activities provided wholly or mainly out of school hours and each school's governing body has determined its policy. Details are available from the head teacher of the school concerned.

What subjects will my child be taught in school?

The 'basic' school curriculum includes the 'national curriculum', as well as religious education. Schools must provide religious education but parents can ask for their children to be taken out of the whole lesson or part of it. Schools often also teach personal, social and health education (PSHE), citizenship and modern foreign languages at key stage 1.

The national curriculum is a set of subjects and standards used by primary schools so children learn the same things. It covers what subjects are taught and the standards children should reach in each subject. Full details of the national curriculum at key stages 1 and 2 are available at: <https://www.gov.uk/national-curriculum/key-stage-1-and-2>

Other types of school like academies and private schools don't have to follow the national curriculum. Academies must teach a broad and balanced curriculum including English, maths and science. They must also teach religious education.

The Early Years Foundation Stage is an important stage as it helps your child get ready for school as well as preparing them for their future learning and successes. From when your child is born up until the age of 5, their early years' experience should be happy, active, exciting, fun and secure and support their development, care and learning needs.

The EYFS Framework explains how and what your child will be learning to support their healthy development. Further information can be found at: https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/335504/EYFS_framework_from_1_September_2014_with_clarification_note.pdf

Your child will be learning skills, acquiring new knowledge and demonstrating their understanding through 7 areas of learning and development.

Children should mostly develop the 3 prime areas first. These are:

- Communication and Language
- Physical development; and
- Personal, social and emotional development

These prime areas are the most essential for your child's healthy development and future learning.

As children grow, the prime areas will help them to develop skills in 4 specific areas.

These are:

- Literacy
- Mathematics
- Understanding the world
- Expressive arts and design

These 7 areas are used to plan your child's learning and activities. The professionals teaching and supporting your child will make sure that the activities are suited to your child's unique needs. This is a little bit like a curriculum in primary schools, but it's suitable for very young children and it's designed to be really flexible so that staff can follow your child's unique needs and interests.

Children in the EYFS learn by playing and exploring, being active and through creative and critical thinking which take places both indoors and outdoors.

The Primary School curriculum in England

Every state-funded school must offer a curriculum which is balanced and broadly based and which:

- Promotes the spiritual, moral, cultural, mental and physical developments of pupils at the school and of society, and
- Prepares pupils at the school for the opportunities, responsibilities and experiences of later life.

The school curriculum comprises all learning and other experiences that each school plans for its pupils. The national curriculum forms one part of the school curriculum.

All state schools are also required to make provision for a daily act of collective worship and must teach religious education to pupils at every key stage.

Maintained schools in England are legally required to follow the statutory national curriculum which sets out in programmes of study, on the basis of key stages, subject content for those subjects that should be taught to all pupils. All schools must publish their school curriculum by subject and academic year online.

All schools should make provision for personal, social, health and economic education (PSHE), drawing on good practice. Schools are also free to include other subjects or topics of their choice in planning and designing their own programmes of education.

The National Curriculum in England

Aims

The structure of the Primary National Curriculum, in terms of which subjects are compulsory at each stage, is set out in the table below.

The national curriculum provides pupils with an introduction to the essential knowledge that they need to be educated citizens. It introduces pupils to the best that has been thought and said; and helps engender an appreciation of human creativity and achievement.

The structure of the Primary National Curriculum, in terms of which subjects are compulsory at each stage, is set out in the table below.

The national curriculum is just one element in the education of every child. There is time and space in the school day and in each week, term and year to range beyond the national curriculum specifications. The national curriculum provides an outline of core knowledge around which teachers can develop exciting and stimulating lessons to promote the development of pupils' knowledge, understanding and skills as part of the wider school curriculum.

Structure

Pupils of compulsory school age in community and foundation schools, including community special schools and foundation special schools and also voluntary aided and voluntary controlled schools must follow the national curriculum.

It is organised on the basis of four key stages and twelve subjects, classified in legal terms as 'core' and 'other foundation' subjects.

The Secretary of State for Education is required to publish programmes of study for each national curriculum subject, setting out the matters, skills and processes to be taught at each key stage. Schools are free to choose how they organise their school day as long as the content of the national curriculum programmes of study is taught to all pupils.

The structure of the Primary National Curriculum, in terms of which subjects are compulsory at each stage, is set out in the table below.

Who are the School Governors and what do they do?

Governing boards are the strategic decision makers and vision setters in every school and academy. They play a vital role in ensuring the best possible education for every child by creating robust accountability for head teachers and other school leaders. The extent of the duties and powers of governing boards are determined through national legislation and statutory guidance. They are not responsible for decisions around operational matters. Such matters are determined by the head teacher. The composition of governing boards can vary depending upon the type of school. All boards need people with skills appropriate to the scale and nature of their role; including parents. Presently, all governance models include provision for parents, with parent governors generally elected by other parents of children attending the school. Where it is not possible to elect a parent governor the governing board may appoint a parent to the role. Parents are normally notified of any vacancies via a letter sent home with their child, but many schools also advertise vacancies on their website. We encourage you to consider standing for election if and when a vacancy occurs. Most schools buy into a package of support and training for school governors. The cost is met by the school and training is free of charge to individual governors. If you would like further information about becoming a governor please contact the School Governor Support Service on 01642 837758.

Where can I get advice and support if my child is having difficulties in school?

The Attendance and Welfare Service provides advice and support to schools and families in respect of matters which may prevent children from fully benefiting from the educational opportunities available to them. The Service promotes regular school attendance supporting the Local Authority with its statutory duties regarding school attendance under section 444 of the Education Act 1996. The service recognises that good attendance is essential if pupils are to gain the most from their education.

Frequent absence seriously disrupts the continuity of learning and leads to under-achievement and low attainment. Parents are primarily responsible for ensuring the regular school attendance of their children. They should speak to school in the first instance, if they have any concerns around their child's education or attendance. If you would like to know more about the attendance and Welfare service or would like help or more information about this service, please telephone 01642 837717.
