

Why work for us?

The Ironstone Academy Trust is a Trust based in The Northeast of England; our family of 6 primary schools, including a specially resourced provision supporting pupils Speech and Language development, promotes the dignity, self-esteem and development of every one of our pupils and staff.

The ironstone that was mined from beneath our schools went to produce the steel that powered an industrial revolution and transformed the world; our belief is that with the right support our children will do the same, to the benefit of generations to come.

Our schools offer a supportive network of colleagues who work together to deliver high-quality education, with a curriculum that meets requirements of our young people and gives them every opportunity to succeed in adult life.

We are dedicated to academic excellence and the spiritual, physical, and moral development of all our 1,800 pupils, as well as the ongoing development and fulfilment of every one of our 250 plus staff.

Our schools provide modern facilities and a safe and secure environment that reflects and supports family values, where standards of behaviour are excellent and parental engagement and collaboration is central to our success.

We are inclusive and are respectful, encouraging a culture of tolerance where people of diverse identities are recognised, welcomed, respected, and cherished.

We seek to make a difference to the lives of all groups of children, working to ensure especially that the most vulnerable in our society are not disadvantaged.

Each school aspires for excellence and is on a journey of continual year-on-year improvement. The Trust promotes strong working relationships: our staff have positive links with colleagues, and have clear strategic aims built on our mission and values.

We:

- Celebrate and share the practice of our outstanding schools, leaders and teachers
- Are committed to excellent governance that challenges, supports and holds to account
- Have strong leadership at all levels
- Ensure our pupils receive outstanding teaching
- Offer a wide range of curricular and extracurricular experiences
- Develop parents and carers as active partners in their child's progress.

We are building a Trust where children are at the heart of everything decision we make, every child is valued, and every family is supported.
